Wilson.

ECONOMICAL—VERY.

New York Press.—The revenues of the Queen of England and Empress of India are something like \$2,000,000 a year. The contribution of \$500 made by the Queen for the beuest of the widows and queen for the heavest of the widows and orphans of the brave men enried down in the battleship Victoria, agalu brings before the public the fact that Her Majesty has a distinctly economical turn or mind. In fact, the royal prudence is money mattern is so great that if it were not royal the world might call it by the plain, every day name of stinginess. Chaplain M. C. Blaine, wite and dar arrived yesterday from Fort Buford, Dakota, on n visit to Mrs. Ulaine's po Mr. and Mrs. Charles Phister.

IT WON'T DO.

New York Press.—Democratic organs that are trying to humbug the people into the heliet that the loss of a billion dollars in value since Cleveland's election dollars in value since Cleveland's election is owing to the Sherman law, misosiculate the memory of the public. The silver purchase features of the Sherman act were adapted in order to check the Democratic demand for free colume, and the country has not forzetton the fact. Even if the present loss and depression were caused by the Sherman law the Democratic party would be financially resyonsible. If they are caused by the fear of Free-trade legislation the responsibility at the beautiful properties of the Company of the Compa

Hight to Kemore a Puilste Official Refore
Washington, June 20. —The question
of Many Bo Tested.

Washington, June 20. —The question
of his term of four years, without assigning cause, comes up in a new phase,
differing from the points raised in Alabann recently. Certain old officials in
the property of the property of the property
and the property of the property of the property
decision. It cut the Gerdian law by
decision, it cut the Gerdian law by
and refused to give way.

While the court did not render any
decision, it cut the Gerdian law by
and refused to give way.

While the court did not render any
decision, it cut the Gerdian law by
and refused to listen to the old United
States attoring.

Now a judge in one of the territories
refuses to turn his office over to the new
judge appointed by Iraskichet Clerepaper, but physicially he is in possession
of his office to-day. There are also
several old treasury officials who resist
their removals to the extent of threatcall checks as to the absolute right of
call checks and the public means had
ing is usually quoted by those who estertain this lew. In a legal opinion resist
their memoral of officials appointed by the president, "with the advice and consent of the senate," his deduction was that the same power that
consummated the appoliturent mustcoopinion, however, seems to stand alone.

The question is an undecided one, as
far as the courts go. The attention of
the civil service commission has been
called to the subject by some of those
recently affected.

NO SHOW FOR CHOLERA.

The Conditions Unfavorable for its Coming Here This Years of the ComWASHINGTON, June 30.—The represerved of cholera in Europe does not 
details. Reports are daily received from 
the U. R. consuls and other agents 
abroad and they concur that the elimate 
conditions that have so far obtained in 
Europe are not conducive to the spread 
of cholera there. There have been 
deaths from it, but the disease has not 
spread as it did last year, and they express the opinion that it will not reach 
this country.

Assistant Secretary Dartis, of the 
treasury department, who has general 
this rice of the treasury, coincides with 
this rice of the situation as expressed 
by foreign agents, but still maintains, 
and will continue to do so, the closest 
scrutiny over immigrants and others 
coming from cholera-infected 
counsiders of the Atlantic is believed to be as 
nearly perfect as can be made.

One of the main features of the commencement exercises was the address by Charles Dadley Warner, of Hartford, Cons.

Silver in Amsterdam.

Mistrikham, Juno Sm.—The market here for silver has been, with the other markets of the world, greatly affected by the action of the government of India in dealing with the correscy quemarket the price of flow silver has dropped from 68 guilders to 60 guilders see kilo.

per killo.

Mestee Will Keep on Colorge.
Cirry or Mexica, June 30.—Secretary
of the Treasary Limantour wishes to
announce to the world that there is no
truth in the rumor that Mexico contemplates suspending the free colonges
of silver. On the contrary, all of the
Mexican mines will be worked to their
utimost capacity autimost capacity.

Mexican mines will be worked to their ulmost capacity. Seateneous for Life.

Boeron, June 30.—Richard Powell, who, on Docember 22, 1898, Rilled Goo.

W, Brown at Swarerville, and then burdeness of his crities so successfully that for over two years it was not detected, was sentenced to imprisonment for life Powell is colored as was also his victim. Seaccess's Vice-Atmiral Sir Michael Culme-Seymour, commanderin chief of the British Medicerranean station, has been appointed to succeed Vice-Atmiral Sir deserge Types, who lost the Vice-Atmiral Sir deserge Types, who lost this by the foundering of the bettle alife by the foundering of the bettle alife Yelstein.

CLEVELAND ROASTED

By A. G. Warner, President of the Binnetalic longue, is in Washington, and in an interview Thursday night he limestalic longue, is in Washington, and in an interview Thursday night said: "Mr. Cieveland is attempting to influence the mewbers of compress to desert their provided in the country by withbolding patronage from them mill they have been whipped into line and have yielded promises to all in the future degredation of aliver. Mr. Cieveland, however, is with a continuous of aliver. Mr. Cieveland, however, is with the contract of the country by withbolding patronage from them mill they have been whipped inclinic and have yielded promises to all in the future degredation of aliver. Mr. Cieveland, however, is with a subject colling a strong efforts will shortly be made to countereact the results of these methods.

"At the meeting of the Binnetallic league here to be held soon, resolutions will be adopted enline attention to cure assistance in his fight against all the proposed and appointing powers and ceasuring him for resolution of the subject of the subject of the proposed in the form of the contract of the cont

Curits to the Will 11. Lower of New York.

The design for the diploma is a particularly fine ploce of skill. It represents an arch through the upper opensure an arch through the upper opensure an arch through the upper opensure of the property of the pro

rises, holding in her hand a neuro-wreath.

Iterative of the Treasury.

Washinstroot, June 39.4—T. J. Tligh-timan, of Tennessee, was Thursday ap-pointed register of the treasury, sine-oxeding Gan. W. S. Bosecrans, who has resigned on account of ill health. Gen. Rosecrans was first appointed during Mr. Cleveland's first administration, but was retained during Mr. Harrison's administration, through the influence of Mr. Chauncey Isepew and others. For some time Gen. Rosecran's health has been of a character to prevent very close attention to his duties, and in consequence handed his resignation to

has been of a character to prevent very close attention to his duties, and in consequence handed his resignation to the secretary.

The Weel Point Military Academy, as Wanthworse, June 30.—The report of the board of visitors to the West Point Military academy has been compensation. The board recommended in appropriation of about \$43,000 for the improvement and repair of buildings. The improvement includes new officers' quarters and the expenditure of \$90,000 for fire-proving the library building. The new officers' quarters and the expenditure of \$90,000 for fire-proving the library building. The new officers' quarters and the expenditure of \$90,000 for fire-proving the library building. The new officers' quarters are considered to the Characters.

Wanthworse, June 30.—Swilling orders have been sent to the U. S. steamer Concord. At Norfolk, Va., and as soon as she can be gotten away, probable and the Sueze const. The department officers chelors are observed.

The Navat Milita.
